2 Applicability

- 2.1 These Terms and Conditions apply to all Customers. Certain provisions may differ where the Customer is established under the laws of England and Wales, or the federal laws of the United States of America and the laws of the state of Delaware without regard to conflict of law principles (collectively the “US Laws”). Any such differences will be expressly identified in the relevant clause. In the absence of such express indication, these Terms and Conditions shall apply in full and without modification to all Customers.
- 2.2 These Terms and Conditions apply to all Agreements and Quotations related to the use of the Products and Services between Nobi and the Customer, unless agreed upon otherwise in writing. By accepting the Quotation, whether implicitly, explicitly or by delivery of the Products and/or execution of the Services, accessing or using the Platform, placing an order or paying an invoice of Nobi, the Customer accepts and agrees to these Terms and Conditions. If the Parties commence the delivery of Products and/or execution of Services or initiate performance following acceptance of the Quotation before the formal signing or acceptance of the Agreement, the Customer acknowledges that such execution constitutes implicit acceptance of these Terms and Conditions or the terms and conditions set forth in the Quotation. As soon as Nobi delivers Products or provides Services, a binding Agreement is established, and the Customer is obliged to pay Nobi the Price(s) and Fees specified in the Quotation for the delivered Products and/or provided Services, even if the Agreement has not yet been formally signed or entered into in any way.
- 2.3 These Terms and Conditions also apply to any additional order placed by the Customer with Nobi, regardless of whether reference is explicitly made to these Terms and Conditions. Orders for additional Products have to be sent to orders@nobi.life. These Terms and Conditions also apply to any contractual relationship between an Affiliate of Nobi and Customer and in particular to any Quotation, order or delivery of Products and/or Services by such Affiliate to the Customer. In such case, references to “Nobi” and “Party”, if referring to Nobi, shall be read and replaced as “Affiliate”; the term “Parties” shall then mean the Affiliate and the Customer.

- 2.4 If multiple Products and/or Services are provided to the Customer, each set of rights and obligations arising from each separate order or Quotation confirmation with a distinct subject shall, for purposes of interpretation, validity, performance, and termination, be regarded as a separate Agreement. Consequently, the invalidity or termination of one or more Agreements shall not automatically result in the invalidity or termination of the other Agreements and vice versa. This applies in particular to each Agreement concluded between the Parties.
- 2.5 Unless otherwise stated in the Quotation, Nobi's Quotations are purely informative, only imply a non-binding proposal (not an offer) to conclude a contract and are only valid for fifteen (15) calendar days. Changes made to Nobi's Quotations are only valid if Nobi has expressly accepted them in writing.
- 2.6 In the event that an Agreement also, directly or indirectly, relates to an Affiliate of the Customer, such Affiliate shall also be bound by the provisions of the Agreement, and the Customer guarantees the fulfilment by such Affiliate of all contractual obligations arising from the Agreement. If Nobi enters into an Agreement with more than one natural or legal person, all such persons or entities shall be jointly and severally liable towards Nobi, and the term "Customer" shall be understood to include all such persons or entities. A reference to the "Customer" shall likewise be deemed a reference to all its legal successors.
- 2.7 In the event of a conflict or interpretative discrepancy between the provisions of the various (contractual) documents forming the Agreement, the following hierarchy shall apply (in descending order): (i) the Quotation, (ii) the Agreement; (iii) these Terms and Conditions, (iv) Nobi's invoice terms. In the event of any conflict between the Terms and Conditions and any document submitted by the Customer, the Terms and Conditions shall always prevail, and such conflicting terms in the Customer's documents are hereby rejected by Nobi.
- 2.8 The Terms and Conditions are deemed accepted by the Customer, even when they are conflicting with the Customer's general or special (purchasing or other) terms and conditions. The fact that Nobi did not explicitly reject such terms and conditions of the Customer, referred to in any contract or document, cannot be interpreted as an acceptance by Nobi of any such terms and conditions. The Customer acknowledges and accepts in any case that the applicability of its own general or special terms and conditions is expressly excluded, and that Nobi's Terms and Conditions shall always prevail over any such terms and conditions of the Customer.
- 2.9 These Terms and Conditions are binding for every User of the Products and/or the Services. Notwithstanding the fact that the Customer is bound by these Terms and Conditions and is responsible for compliance therewith, the User also remains individually responsible for complying with the provisions of these Terms and Conditions that apply to Users, in particular the Terms of Use, and the User can also be held directly accountable by Nobi for such compliance. Where these Terms and Conditions refer to the Customer, this also includes all Users, for whom the Customer guarantees compliance with the Agreement and these Terms and Conditions. The Customer and the Users are deemed and acknowledge to have been informed by Nobi of the Terms and Conditions, including the Terms of Use, prior to entering into the Agreement. The User shall accept these Terms and Conditions, including the Terms of Use, in connection with the use of the Products and/or the Services. Notwithstanding such acceptance, only the Terms of Use and other terms of the Agreement applicable to Users shall apply to the User, and not the provisions of the Terms and Conditions which exclusively govern the legal relationship between Nobi and the Customer.
- 2.10 These Terms and Conditions were last amended on the version date stated in this document or on the most current version made available to the Customer (via a hyperlink provided by Nobi). Nobi expressly reserves the right to amend or update the provisions of the Terms and Conditions and/or the specifications or any special conditions of Nobi and/or the Services. Amended, updated, or new versions of the Terms and Conditions or any other contractual documents will always be brought to the Customer's attention via any channel or method Nobi deems appropriate, including but not limited to, a notice on the Customer's invoice or a notification via the Products or the Services, where they may be accepted by the Customer or an authorized User. By signing or accepting the Agreement and the Terms and Conditions or any other contractual documents, the Customer confirms that each User is authorized by them to validly accept such future amendments on behalf of the Customer. However, modifications to the provisions of the Agreement do not include changes resulting from decisions, rulings or obligations imposed by Delaware, United States of America, Belgian, European or United Kingdom regulatory or judicial authorities, or from Delaware, United States of America, Belgian, European or United Kingdom legislation or regulations mandating such changes. Should any such decision, ruling, obligation, law or regulation materially burden or render Nobi's contractual obligations impossible, Nobi is entitled to terminate the relevant Services or Agreement with immediate effect by written notification, without being liable for any cancellation or termination compensation to the Customer. If Nobi makes any unilateral amendment or update to these Terms and Conditions that constitutes a material change adversely affecting the Customer's rights or obligations, Nobi will provide written Notice to the Customer, and the Customer may terminate this Agreement without incurring any termination fee or additional charge by giving written Notice within 30 days of receipt of such Notice, provided that the Customer remains liable for any amounts due and payable up to the effective date of termination. For the avoidance of doubt, this termination right does not apply to amendments or updates that are made by Nobi and which are required to comply with applicable law or regulation.
- 2.11 The Customer is always and solely responsible for all permits and authorisations required for the execution of the Agreement (e.g., permission of the landlord of the Customer's facility to install the Products, informed consent by Residents).
- 2.12 The Customer shall provide Nobi with all information (e.g., with respect to the Customer's address' electrical drawings and infrastructure, and/or defects therein) and provide all cooperation in order to enable Nobi to execute the Agreement and to mitigate any risks.

3 Term and Termination

- 3.1 The Agreement (in particular the Care Membership) shall enter into force and shall take effect as from the Effective Date and shall have the Term as set out in the Agreement and/or Quotation. Depending on what is set out in the Agreement and/or Quotation, the Agreement can be entered into for (i) a fixed Term, (ii) a fixed minimum Term, or (iii) an indefinite Term, as set out in the Articles below.
- 3.2 Option 1 - Fixed Term: The Agreement (in particular the Care Membership) is entered into for a fixed Term as specified in the Quotation and shall automatically terminate at the end of the agreed fixed Term.
- 3.3 Option 2 - Fixed Minimum Term: The Agreement (in particular the Care Membership) is entered into for a fixed minimum Term as specified in the Quotation. Upon the expiry of the fixed minimum Term, the Agreement shall automatically be renewed for successive periods equal to the initial minimum Term, unless it is terminated by either Party by providing a written Notice of termination at least three (3) months prior to the end of the then-current-Term.
- 3.4 Option 3 - Indefinite Term: The Agreement (in particular the Care Membership) is entered into for an indefinite Term, unless it is terminated by either Party providing the other Party with a three (3) months prior written Notice.
- 3.5 Only if no specific Term is agreed upon or set forth in the Agreement or Quotation, the Agreement (in particular the Care Membership) shall have a Term of one (1) year commencing on the Effective Date. Thereafter, the Agreement and the Care Membership shall automatically renew for successive one (1) year periods, unless either Party provided written Notice of termination at least three (3) months prior to the end of the then-current-Term.
- 3.6 Either Party may terminate the Agreement with immediate effect and without prior judicial intervention by written Notice to the other Party if the other Party materially breaches the Agreement and fails to remedy such breach within thirty (30) calendar days from receipt of a default Notice, unless such remedy period is useless given the nature and/or effect of the breach.
- 3.7 Either Party may terminate the Agreement without prior judicial intervention by written Notice to the other Party, effective as of the date of delivery of such Notice, if the other Party becomes the subject of a voluntary or involuntary bankruptcy, insolvency or similar proceeding or otherwise liquidates or ceases to do business.
- 3.8 Nobi may terminate the Agreement with immediate effect and without prior judicial intervention upon written Notice if the Customer undergoes a change of control whereby the Customer becomes controlled by a competitor of Nobi meaning that a direct or indirect acquisition of control over the Customer by an entity offering products or services that are in competition with the Products or Services, including through merger, consolidation, transfer of shares or assets, or any similar transaction resulting in obtaining control of the Customer, has occurred.
- 3.9 Upon termination of the Agreement for whatever reason: (i) the Customer shall promptly pay Nobi all Prices, Fees and other amounts due to Nobi pursuant to the Agreement, up to and including the date of termination, (ii) all User rights granted to the Customer pursuant to the Agreement, including the rights to use the Platform as per Article 0 (Care Membership), shall automatically terminate; (iii) the Customer shall have thirty (30) calendar days from the termination date upon request to export Customer Data and/or other relevant data by sending an email to privacy@nobi.life; (iv) Nobi shall maintain Customer Data and/or other relevant data during this period solely for the purpose of allowing the Customer to retrieve such data; and (v) after expiration of this period, Nobi shall delete all Customer Data in accordance with its applicable data retention policies and applicable law. Termination of the Agreement on whatever ground shall be without prejudice to any right or remedy that has accrued prior to the actual termination.
- 3.10 Without prejudice to any other rights or remedies, Nobi may temporarily suspend its obligations under the Agreement, such as suspending Customer's access to the Products, Platform and/or Services, upon written Notice in the following events: (a) the Customer fails to pay any undisputed Prices or Fees within thirty (30) calendar days after the due date; (b) Nobi reasonably believes that Customer's use of the Products and/or Services poses a security or other risk to the Products, Services, other customers or Third Parties; (c) the Customer breaches any applicable (fair) use policies, acceptable use provisions or use terms, including the Terms of Use; (d) suspension is required by law or court order. During any suspension period: (i) Customer remains liable for payment of all Prices and/or Fees that are due; (ii) Customer retains the ability to export Customer Data; (iii) Nobi shall promptly restore access upon remedy of the condition causing suspension and/or Nobi shall promptly recommence the performance of the obligations under the Agreement that it had suspended. Any suspension shall not relieve the Customer of its payment obligations under the Agreement, and Nobi shall not be liable for any damages resulting from suspension in accordance with this provision.
- 3.11 Termination of the Agreement at the Customer's expense does not affect Nobi's right to compensation and its other rights as a result of termination (where applicable).
- 3.12 Upon termination of the Agreement, Customer shall not be entitled to any refund of Fees or Prices, costs, taxes or other amount paid by Customer in connection with its use of the Products.
- 3.13 The provisions of the Agreement that are expressly or implicitly intended to survive termination shall survive any expiration or termination of the Agreement and shall remain in force.

4 Prices, Fees and Payment

- 4.1 The Customer agrees to pay the Prices and Fees as set forth in the Quotation and/or the Agreement or agreed upon between Parties.
- 4.2 If the Agreement is concluded for a fixed Term in accordance with Article 3.2, the full Fee for the agreed fixed Term shall be invoiced and payable upfront as a one-off payment, unless Parties agree otherwise in the Agreement and/or Quotation (e.g. invoicing and payment on an annual basis in advance of each year of the fixed Term). All fees due for the fixed Term shall remain payable in full and are non-refundable.

- 4.3 If the Agreement is concluded for a fixed minimum Term in accordance with Article 3.3, the Fees shall be invoiced and payable on a monthly basis. Notwithstanding any earlier termination, all Fees due for the fixed minimum Term shall remain payable in full and are non-refundable.

- 4.10 All payments are non-cancellable, and all amounts paid to Nobi are non-refundable.
- 4.11 Nobi may adjust Prices / Fees as follows:
- (a) Annual Indexation:
- For Customers in the European Union:*
 Fees are adjusted annually according to the Agoria Digital Index using the following formula: $P=P_0 \cdot (0.2 + 0.8 S/S_0)$ where Y=current year, Y0=year Y-1, P0=price in year Y0, S0=Agoria Digital index reference salary cost January Y0, S=Agoria Digital index reference salary cost January Y.
- For Customers in the United Kingdom:*
 Fees shall be adjusted annually with effect from each anniversary of the Agreement in line with the percentage increase in the UK Consumer Prices Index (CPI) (or any successor index published by the Office for National Statistics) over the preceding 12-month period. If CPI is discontinued or materially altered, a comparable index reasonably selected by Nobi shall apply.
- For Customers in the United States of America:*
 On each anniversary of the Effective Date, all Fees shall each be automatically adjusted upward or downward by the percentage change in the Chained Consumer Price Index for All Urban Consumers, all items less food and energy, as and when published and considered final by the U.S. Department of Labor Bureau of Labor Statistics calculated for the twelve (12) Months immediately preceding the date of escalation; provided, however, no Fee shall ever be adjusted below its original amount as of the Effective Date; and, provided, further, that the amount of adjustment for each year shall not exceed five percent (5%) per annum.
- (b) Third Party Cost Increases:
 If Third Party costs increase by more than 20%, Nobi may adjust affected Prices or Fees: in case of monthly Care Membership, upon thirty (30) days Notice and for annual Care Membership at the next renewal, unless increase exceeds 25%, then immediate price adjustment applies. Customer may terminate affected Services without penalty for mid-term increases, in accordance with the Agreement. All Price or Fee adjustments require thirty (30) days written Notice to the Customer.
- 4.12 The Customer shall notify Nobi in writing of any disputed invoice and/or charge within ten (10) business days from the invoice date, specifying in reasonable detail the nature and grounds of the dispute. Any undisputed amounts shall be paid in accordance with the payment terms as set out in these Terms and Conditions. The Parties shall work in good faith and use reasonable efforts to resolve any disputes promptly. If the Customer fails to notify Nobi of a disputed invoice and/or charge within the above-mentioned period, the Customer will be deemed to have accepted such invoice and/or charge.
- 4.13 Amounts not paid by the Customer on the due date mentioned on the invoice: (i) shall bear late payment interests in accordance with the (Belgian) Law of 8 August 2002 for Customers in the European Union, (ii) in accordance with the UK Late Payment of Commercial Debts (Interest) Act 1998 for Customers in the United Kingdom, or (iii) shall be subject to interest charges, from the date due until paid, at the rate of one and one half percent (1.5%) per month, or the highest interest rate allowable by Delaware law (whichever is less), payable monthly for Customers in the United States of America.

5 Products

5.1 Delivery and Installation

- 5.1.1 The Customer agrees to have the Products delivered and installed as set forth in the Quotation and/or the Agreement or as agreed upon between Parties. Depending on what is set out in the Agreement and/or Quotation, the delivery can be (i) Ex Works (Incoterms 2020) or, (ii) to the Customer's designated address and the installation can either be (i) carried out by Nobli or, (ii) by the Customer itself.
- 5.1.2 *Delivery Ex Works (Incoterms 2020)*. If the Customer has decided for delivery Ex Works in the Quotation and/or the Agreement, the delivery takes place at Nobli's designated warehouse. Customer is responsible for arranging pick-up and transportation from Nobli's designated warehouse to its designated address. Customer bears full responsibility for shipping and related costs and risks as from Nobli's designated warehouse to its designated address, including (as the case may be) any customs duties or taxes. In case the Quotation and/or the Agreement do not contain any provision with respect to delivery, the delivery will be Ex Works.
- 5.1.3 *Delivery to Customer's designated address*. If the Customer has decided for delivery at its designated address, Nobli will handle the delivery. Nobli will provide an offer for the shipping costs, which Customer must accept at the time of placing the order. The shipping costs will be specified in the Agreement and/or Quotation, and Customer will be responsible for these costs in addition to the Product purchase price and any risks with respect to transportation of the Products.
- 5.1.4 Although Nobli makes reasonable efforts to deliver the Products in time, delivery periods shall at all times be indicative and circumstances may arise that make it impossible for Nobli to respect delivery periods, such as (i) the Products being temporarily sold out or unavailable, (ii) the inability to purchase certain components necessary for the assembly of the Products, (iii) delays in production by Nobli's manufacturer of components of the Products, and (iv) delays in transportation. In such cases, Nobli will contact Customer in advance to work out a solution in consultation with Customer. Nobli waives all responsibility for any delay caused by non-delivery, defective or delayed delivery.
- 5.1.5 Nobli will conduct, and the Customer will enable, an on-site assessment on the location where the Products will be installed. If causes are found that may hinder the proper functioning of the Products, the Customer will resolve them at its own cost and risk before the Products can be installed. Failing to do this, will lead to the acceptance by the Customer that the Products may not function properly (without the Customer being entitled to any compensation whatsoever in this regard).
- 5.1.6 *Installation carried out by Nobli*. If the Customer has decided for installation by Nobli, Nobli (or any of its subcontractors) shall install the Products at the Customer's designated address. Installation includes on-site assessment, physical mounting and connecting of the Products with the Customer's infrastructure, configuration of the Products for the Customer and activation of the Products in the Platform (*onboarding*). Should any issues occur or any damages be caused during or by the installation, Nobli will take all reasonable efforts to resolve them. Costs for installation will be charged to the Customer according to the Quotation and/or Agreement.
- 5.1.7 *Installation carried out by Customer*. If the Customer has decided to install the Products itself or to have them installed by a designated Third Party and Nobli has expressly given its prior written approval, Customer (or the designated Third Party) shall at its own cost and risk, install the Products. The Customer shall for this purpose only rely on a designated Third Party that has been trained or approved by Nobli, or has had its own personnel follow a Nobli led training before installation. The training, assessment, configuration and activation (*remote care onboarding*) of the Products, shall be subject to a separate fee quote of Nobli specified in the Quotation and/or Agreement. In any case, Nobli shall not be liable for (i) any malfunction or damage resulting from installation performed by the Customer or any designated Third Party or, (ii) for any malfunction or damage resulting from installation performed by a Third Party that has not been approved by Nobli in advance.
- 5.1.8 The Customer shall ensure that adequate WiFi connection and electricity supply are available at the installation location prior to the installation of the Products and shall inform Nobli accordingly. If adequate WiFi connectivity and/or electricity supply are not available, the necessary connections (including between the Product(s) and the Platform) and the intended Functionalities of the Products may not operate or may not be realised. In such case, the Customer shall have no claim against Nobli in relation thereto. If, after installation, the required WiFi connectivity and/or electricity supply becomes unavailable (for example due to infrastructural works or changes made by the Customer or Third Parties), the Customer shall take all necessary steps to restore such connectivity and electricity supply. Following restoration, Nobli may, upon the Customer's request, reinstall the Products at Nobli's then-applicable rates.
- 5.1.9 Notwithstanding the agreed payment method, ownership of the Products shall only transfer to the Customer upon Nobli's receipt of full payment of the Price(s) due for the Products. Notwithstanding the foregoing, the risk of loss or damage to the Products shall pass to the Customer upon delivery.

The Customer shall ensure that the Products are used, handled and maintained in accordance with such Documentation and shall refrain from any misuse, modification or use of the Products in a manner inconsistent with their intended purpose. Nobi shall not be liable for any malfunction, damage or reduced performance of the Products resulting from use of the Products contrary to the Documentation, their intended purpose, outside of normal circumstances, or any other use that could not reasonably be expected for Nobi.
- 5.2.2 The Customer expressly acknowledges and agrees that the Products are not designed to replace, nor shall they be used as a substitute for, appropriate human supervision, care, monitoring, or intervention in the provision of healthcare. The Customer and its Users remain at all times solely responsible for ensuring the delivery of adequate and appropriate care to Residents, including proper supervision and timely intervention, in accordance with all applicable laws, regulations, and professional standards.
- 5.2.3 Without prejudice to any mandatory statutory rights of the Customer under applicable law, the sale of each Product includes a limited warranty of two years ("**Warranty Period**"). The Warranty Period shall commence on the date of delivery of the Product or, where the Product is installed by Nobi, on the date of installation, provided that such installation takes place within two (2) months following delivery. Where installation occurs more than two (2) months after delivery, the Warranty Period shall commence on the date of delivery. If, during the Warranty Period, the Product develops a technical defect which results in it no longer functioning in accordance with its normal specifications, the Customer may notify Nobi in accordance with the warranty claim procedure set in the applicable warranty documentation. The scope, extent and limitations of this warranty, including (without limitation) the types of defects covered, any exclusions, conditions for validity, and the procedure for making a warranty claim, shall be governed by Nobi's warranty policy as made available to the Customer from time to time ("**Warranty Policy**"). The Customer acknowledges and agrees that it has received or has had the opportunity to review the Warranty Policy prior to entering into the Agreement. Except as expressly set out in this Article 5.2.3 and the Warranty Policy, all warranties, conditions and other terms implied by statute or common law are, to the fullest extent permitted by law, excluded. Nobi's obligations under this warranty are limited to the remedies set out in the Warranty Policy, which may include repair, replacement, or refund at Nobi's discretion. Nobi shall not be liable for any defect arising from misuse, neglect, improper installation by persons other than Nobi, unauthorized modifications or normal wear and tear.
- 5.2.4 In case Nobi determines, based on the information provided by Customer and/or remote troubleshooting, that the problem with the Product is due to a defective Product, Nobi will issue a return material authorization pursuant to which Customer shall be entitled to ship the defective Product concerned to Nobi's designated address in the return material authorization. Upon receipt of the defective Product and provided that Nobi has determined that Customer is entitled to the warranty services, Nobi shall ship a replacement Product to Customer within a period of fifteen (15) calendar days as from receipt by Nobi of Product concerned. Nobi has the discretionary right to use a new or a refurbished Product as a replacement Product, provided that such replacement Product is functioning properly. Nobi shall be entitled to replace the defective Product by a new type of Product if, at the time of such replacement, the initial model sold to the Customer is no longer available. The replaced defective Product shall automatically and by operation of law become Nobi's exclusive property and Customer waives all rights and claims to the defective Product.
- 5.2.5 Customer acknowledges and accepts that during the replacement procedure the Product and its features will not be available, without being able to hold Nobi liable in any way or Nobi owing any damage compensation or reimbursement. Transportation costs of the defective Product shall be at Customer's charge. Transportation costs of the replacement Product shall be at Nobi's charge. Customer shall install the replacement Product. Any additional Services to be provided by Nobi shall be charged to Customer at Nobi's then current rates. If the Product concerned is a Nobi light, this standard two-year warranty is subject to (i) the Nobi light being continuously mounted on and not being removed from the place where it has initially been installed and (ii) being "active" (i.e. onboarded and active in the Platform) without interruption during this two-year warranty period. In case the Nobi light is removed or does not maintain an "active" status, even temporary, during the two-year warranty period, the warranty shall no longer apply and the Customer shall no longer be entitled to claim under the two-year warranty.

The Customer authorizes Nobi to rely upon any information and/or instructions set forth in any data transmission using the assigned password or login, without making further investigation or inquiry, and regardless of the actual identity of the individual transmitting the same, in connection with the operation of the Platform. Use of the assigned password or login, whether or not authorized by the Customer, will be solely the responsibility of and the risk of the Customer. The Customer will indemnify, defend, and hold harmless Nobi from any claim, proceeding, loss or damages based upon any use, misuse, or unauthorized use of Customer's passwords and logins. Nobi maintains system access logs for twelve (12) months which the Customer may request for compliance or audit purposes with reasonable advance Notice.
- 6.5 The rights of use under the Care Membership granted to the Customer are expressly limited to the applicable license conditions and the number of Units confirmed in the Quotation and/or the Agreement or in writing by Nobi to the Customer. The Customer may request additional Users at any time. Upon Nobi's confirmation, additional Fees apply pro-rata for the remainder of the current Term.

Unless otherwise agreed, Services are provided on a time and materials basis at Nobi's applicable Fees. Change requests may impact timeline and Fees, which will be communicated and approved before implementation. Deliverables are subject to acceptance criteria defined in the SOW. If no specific criteria are defined, deliverables are deemed accepted five (5) business days after delivery unless the Customer provides written Notice of specific deficiencies based on the agreed specifications. Unless explicitly agreed otherwise, any such custom developments, implementation or configurations shall remain the intellectual property of Nobi and may be reused or commercialised at Nobi's discretion. However, Nobi will endeavour to minimise any inconvenience to the Customer and/or its Users and, if necessary, coordinate with the Customer in advance.

The Customer guarantees compliance with all applicable legislation on health and safety on workplaces.
- 7.8 The Services rely on Third Party infrastructure or services, including cloud providers and/or integrated systems. The Customer acknowledges that the availability and performance of the Services may be affected by issues relating to such Third Party providers that are beyond Nobi's reasonable control, without prejudice to applicable legislation. Nobi shall use commercially reasonable efforts to select reliable providers and to implement appropriate backup or redundancy measures.

- 8.1 All Intellectual Property Rights in and to the Products, Platform and Services, including any and all updates, enhancements, derivatives, creations, works, modifications, developments, configurations, implementations or improvements thereof created by or on behalf of Nobi, as well as the source code(s) of the Platform, are and shall remain the exclusive property of Nobi, its Affiliates or its licensors. No license or other rights are granted to the Customer except as to the use of the Platform (Care Membership) as expressly stated herein.
- 8.2 The Customer agrees that it will not claim any rights to or do anything that may adversely affect the Intellectual Property Rights of Nobi, its Affiliates or its licensors.
- 8.3 Parties undertake to promptly notify each other of any act of unfair competition, illegal trade practices, infringements or piracy, or infringement of any Intellectual Property Rights that a Party may discover. Parties shall not take any actions with regard to any of the foregoing without having obtained the other Party's prior written consent.
- 8.4 The Customer acknowledges that Nobi will have the right to use techniques, methodologies, tools, ideas and other know-how gained during the Term or in the context of the Agreement, in the furtherance of its own business and to perfect all other Intellectual Property Rights related thereto.
- 8.5 Nobi's name(s), logo(s), sign(s) and Product or Service names or signs associated with the Products, Platform and/or Services are trademarks of Nobi or Third Parties, and may not be used without Nobi's prior written consent.
- 8.6 The Customer shall defend and indemnify Nobi against any founded and well-substantiated claims brought by Third Parties to the extent such claim is based on (i) an infringement of any Intellectual Property Rights of such Third Party by Customer Data or other Customer products, devices, systems, materials or software, (ii) any breach or violation by the Customer or its personnel of any provisions of the Agreement, and/or (iii) fraud, intentional misconduct, or gross negligence committed by the Customer or its personnel. Such indemnity obligation shall be conditional upon the following: (i) the Customer is given prompt written Notice of any such claim; (ii) the Customer is granted sole control of the defence and settlement of such a claim; (iii) upon the Customer's request, Nobi fully cooperates with the Customer in the defence and settlement of such a claim, at the Customer's expense, and (iv) Nobi makes no admission as to the Customer's liability in respect of such a claim, nor does Nobi agree to any settlement in respect of such a claim without the Customer's prior written consent. Provided these conditions are met, the Customer shall indemnify Nobi for all direct damages and reasonable costs incurred by Nobi as a result of such a claim, as awarded by a competent court of final instance, or as agreed to by the Customer pursuant to a settlement agreement.
- 8.7 Nobi shall defend and indemnify the Customer against any founded and well-substantiated claims brought by Third Parties to the extent such claim is based on an infringement of any Intellectual Property Right of such Third Party by the Products, Platform or Services, excluding any claims resulting from (i) any unauthorized use of the Products, Platform or Services, (ii) modification to the Products, Platform or Services made by the Customer, its employees or any Third Party, (ii) failure of the Customer to use updated or modified Products, Platform or Services provided by Nobi to avoid a claim of infringement or misappropriation, (iii) combination of the Products, Platform or Services with other systems, products, processes or materials to the extent that such claim would have been avoided without such

Such indemnity obligation shall be conditional upon the following: (i) Nobi is given prompt written Notice of any such claim; (ii) Nobi is granted sole control of the defence and settlement of such a claim; (iii) upon Nobi's request, the Customer fully cooperates with Nobi in the defence and settlement of such a claim, at Nobi' expense, and (iv) the Customer makes no admission as to Nobi' liability in respect of such a claim, nor does the Customer agree to any settlement in respect of such a claim without Nobi's prior written consent. Provided these conditions are met, Nobi shall indemnify the Customer for all direct damages and reasonable costs incurred by the Customer as a result of such a claim, as awarded by a competent court of final instance, or as agreed to by Nobi pursuant to a settlement agreement. In the event the Products, Platform or Services or any part thereof, in Nobi's reasonable opinion, is likely to become the subject of a Third Party infringement claim, Nobi shall have the right, at its sole option and expense, to: (i) modify the (allegedly) infringing part of the Products, Platform or Services so that it becomes non-infringing while preserving equivalent functionality; (ii) obtain for the Customer a license to continue using the Products, Platform or Services in accordance with the Agreement; or (iii) terminate the Agreement and pay to the Customer an amount equal to a pro rata portion of the Prices or Fees for the remaining part of the Term. The foregoing states the entire liability and obligation of Nobi and shall be the sole remedy of the Customer with respect to any infringement or alleged infringement of any Intellectual Property Rights of a Third Party caused by the Products, Platform or Services or any part thereof.

8.8 The Platform or Services may contain open-source software components which are listed in the Documentation or available upon request. Such components are licensed under their respective open-source licenses. Use of open-source components does not affect the Customer's ownership or controllership of Customer Data or require the Customer to open source its proprietary systems or data.

8.9 To the extent the Services utilize Third Party AI services or other Third Party providers, the Customer acknowledges that the terms of service of such Third Party providers may apply to the use of their systems. Nobi shall use commercially reasonable efforts to ensure that such terms do not materially adversely affect the Customer's rights.

9 Warranties and Liability

The designated person, officer, representative, director, employee or any other person who represents or acts on behalf of the Customer, is deemed to have the necessary mandate to legally bind the Customer under the Agreement.
